

Éire Óg Sevens Tournament
Monday 02 May 2016
Oxford

A Chara

I would like to invite your club to take part in the annual Éire Óg Sevens Tournament. This tournament has been running since 1971 a fact we are very proud of at Senior Level. This year we are including a specific Youth team 7's tournament.

We are hosting this event on Monday 02 May. Can you confirm if your club is interested in attending? If you can let us know if you are/ are not attending by 30 March 2016. This will help us plan a successful and fun day.

If you are planning on staying in Oxford we will help you find a place to stay for the night.

Is mise le meas
